ARTS/CRAFTS PROJECTS

- Make a puppet! Use a sock, a paper bag, or even the puppet peepers from SOTH TV Year one!
- Once you learn how to make a puppet, make one of a family member. As you create your family puppet, add elements that show that person's identity.
- Color the puppet and think about how you can use your puppet to create a show for your family and friends. Can you practice ventriloquism like Mr. Michael?
- Color the picture of the mouth and repeat the affirmation from the lesson!
