

When the arts disappear from schools, children lose a lifeline to their creativity.

Investing in early arts education for children causes a ripple effect... a ripple that can change the world.

Teaching Children the Art of Living

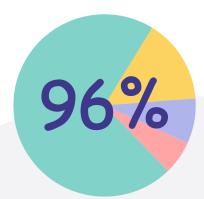

Our Vision

We envision a world where every child discovers the power of their own creativity, and understands how we are connected as a human family.

Our Mission

Dream A World Education provides social-emotional learning and an understanding of cultural diversity through early childhood arts-based education.

Community Impact

Our foundational program

Secrets Of The Heart

In 2008, Dream A World Education pioneered a **comprehensive arts program** offered as on-campus residencies at inner-city schools around Los Angeles.

Our unique **Secrets of the Heart**® curriculum cultivates well-rounded, lifelong learners by building valuable social-emotional skills and promoting self-reliance, equity and inclusion.

For TK/Kindergarten – 3rd Grade (ages 4 – 8)

Secrets Of The Heart

The Secrets of the Heart curriculum links forty-eight universal values – like friendship, kindness, courage, compassion, identity and determination – with arts and cultural experiences.

Each lesson integrates:

- ✓ Visual and Performing Arts
- ✓ Language Arts, including American Sign Language
- ✓ Geography, History and Social Studies
- ✓ Self-acceptance and appreciation of each other
- ✓ And more...

Proven Impact

96%

of parents

say their children understand and demonstrate "Secrets of the Heart" concepts

of principals

observed positive changes in students' social-emotional skills

of teachers

want Dream A World Education programs to return

Empowering children for a lifetime

I am someone that is good.
I am myself.
I put on the vision board
that I wanted to learn how
to play music.

Valerie, a recent "Secrets of the Heart" student who received a scholarship at the famed Colburn School

Empowering educators

Students grow in 6 key sectors:

"A brilliant enrichment program... it unites to entertain and influence children in so many positive ways."

Stephanie Pelly, Kindergarten Teacher
 Montessori Seeds of Education Moorestown, New Jersey

"Teaching the arts is not my strength but 'Secrets of the Heart' gives me the confidence and the tools I need."

Misty Leibensperger, Kindergarten Teacher
 York Elementary, Hawthorne District, Los Angeles, California

Our online programming for classrooms, remote learning, and homeschooling

The Secrets of the Heart curriculum is now also available online wherever children are learning.

Secrets of the Heart TV features turnkey, standards-based, interactive and highly-adaptable virtual programming, plus supplementary materials that take children ages 4–8 on a journey of self-discovery.
